Dear Parents and Caregivers,

This is just an update of where we are at in regards to camp 2021.

We will be attending YMCA camp Kaitoke from Monday 29th March until Thursday 1st April. The initial cost of camp was \$300 per student but this has already been reduced in light of our fundraising efforts so far (currently \$250 per student) and we will continue to fundraise. The final cost of camp will be announced early in term 1, please contact Kelly in the office if you would like to set up a payment plan and start paying towards the camp now.

Early in term one, the camp forms and links will be sent home - these are the permission slips and medical forms for school and the YMCA require each person attending camp to fill out their forms (these are now digital and you will receive the link for these in term 1).

We will also be holding a parent information evening closer to the camp. This is to share the camp programme and any information about camp and also to answer any questions that parents may have.

A big thank you for all your support so far and we are looking forward to putting together an amazing camp experience for the children.

If you have any questions please don't hesitate to contact me.
