Kiā ora e te whānau

What a fabulous evening last night! It was lovely to have the opportunity to share what we do!

If you haven't had a chance yet, pop on facebook and check out Rosa's photos (thanks Rosa).

At the start of the year we like to set very high standards of behaviour and review expectations, not only for our children, but across our entire school community.

To support this I would like to remind you of our school docs policy.

Community Conduct Expectations

Tawhai School is committed to providing a safe and healthy environment for students, staff, and visitors.

Our Code of Conduct serves as a reminder to all parents, caregivers, and school visitors that their conduct must support everyone's emotional and physical wellbeing, and not harm it in any way.

The Code of Conduct applies:

- to all conduct, speech, and action, and includes emails, texts, phone calls, social media, or other communication

- while on school grounds or at another venue where students and/or staff are assembled for school purposes (such as a camp or sports match).

Standards of conduct

Tawhai School expects parents, caregivers, and visitors to:

- treat everyone with respect
- work together in partnership with staff for the benefit of students
- respect and adhere to our school values
- set a good example for students at all times
- follow school procedures to handle any complaints
- adhere to school policies and procedures (such as those listed below), and any legal requirements.

Pop onto school docs if you would like to view the policy in its entirety.
