

# Last week of term!

27/09/2021 by Karen Poole

Kiā ora e te whānau

Wow! Here we are in the last week of term! A big thank you for all your support throughout the term, although things have not gone to plan, we have had a very busy and successful term.

## Consultation

- A huge thank you to everyone who completed the Upper Hutt Cluster Engagement Survey. In 2018 we had around 20 responses, this time we had 90! The results will be shared with you once they have been analysed.
- Every 2 years we are required to consult with our community on **Health Education**. Here is a link to the survey, [2021 Health Survey](#)
- If you have any feedback or comments about our recent lockdown and the delivery of our distance programme please flick me an email [karen@tawhai.school.nz](mailto:karen@tawhai.school.nz)
- **2022** - next term we will be inviting you to share their ideas for 2022 and beyond. Please look out for the invitation.
- Also, once we have confirmed a new date for our **Whānau hui** Dave will be in touch.

## Important dates

### Term 3

- Friday 1st October - last day of term 3 - 3.00pm finish (PTSG gate combo)
