

Week 8

14/09/2021 by Karen Poole

Kiā ora e te whānau

This week in our classrooms we are celebrating Te Wiki o te Reo Māori, although with our ongoing focus on developing te reo Māori every week is Maori language week!

This seems like a very appropriate whakataukī for this time:

Kia mākoha, Kia manaaki, Kia atawhai
Be considerate, be caring, be kind

ALERT LEVEL 2 REMINDERS

Thank you for continuing to follow our Alert Level 2 protocols. We have had some questions about face masks. Just to clarify it is not mandatory for staff or tamariki to wear face masks, **HOWEVER** we do strongly encourage adults visiting our school (including parents) to wear a face mask as one of the public health control measures. Please also ensure you scan using the tracer app each time you come on the school grounds and make your visit brief.

Reporting to Parents

Please keep in mind Educa is the platform we use for communicating with our whānau. If you have any difficulties accessing Educa please pop in and see Kelly. We don't want anyone to miss the important information that is shared.

Educa is also the platform we use for reporting to parents. This provides you with the opportunity to give feedback on your child's learning also. It has been great to see so many of our parents use this facility, especially over lockdown.

We have been reviewing our schedule and made a few changes given the interruptions we have had with COVID. By the end of this week all of the children's learning goals will be available for you to check in with (most are there already). You will also receive a learning story related to PE/Health by the end of this term.

Next term we will be updating you with the progress your child is making with their reading, writing and maths goals.

Ngā mihi nui

Karen Poole
