Cross Country

Due to adverse weather conditions this event was held over two days, and unfortunately the weather was not kind to us on either day! However, it was wonderful to see our tamariki, and parents, showing such resilience throughout the event.

The students have been training over a number of weeks for the big day and it was awesome to see how well they all performed despite the weather. We certainly have some very talented athletes. I was also very pleased to see our tamariki supporting each other with kind words of encouragement, and our senior students supporting our younger students. Tino pai everyone, you were amazing!

A big thank you to Mr McGarry for organising the event, and also Lloyd for setting up the course twice for us! We appreciate all your hard work.

Farewell

Sadly this week we said goodbye to Petra Matheson who works in the office with Kelly. Petra is leaving us to take up a new position at the War Memorial Library. We wish her all the very best and thank her for all her contributions to Tawhai School over the past 2 years.

General Reminders

Can you please ensure that your child has a change of clothes in their bag as at this time of the year we have several children slipping over and getting wet and we do not have enough clothes at school.
