Kiā ora e te whānau

Many thanks for all your support this week to allow our teachers to attend the NZEI Primary Teachers' Union paid union meeting on Wednesday afternoon. It provided an opportunity for kaiako to come together to discuss and consider the Government's revised offer on the table.

Northern/Central Zone Cross Country

A big thank you to Ryan McGarry and Janette Page for taking a group of year 4-6 students to the Northern/Central Zone Cross Country on Tuesday this week. The weather wasn't the best but our students represented Tawhai well. They all demonstrated the Tawhai values, and participated with enthusiasm and determination. Tino pai!

Lost Property

We have an increasing amount of lost property in the school. If you think your child is missing clothing, please come and have a look through our collection. Just ask Kelly in the office if you are unsure where this is stored.

Student Illness

We are continuing to see an increasing number of students who are presenting at school unwell. There has also been an increase in the number of students and whānau with Covid. If your child is unwell, we ask that you keep them home and test for Covid. If they are testing positive, they are to remain at home for 7 days from the positive test date or from when they were first exhibiting symptoms.

Your cooperation with this will greatly help to reduce the risk of spreading infections within our School community.
