

## Week 6

13/11/2023 by Karen Poole

---

Kia ora e te whānau

Thank you for your support and patience with the reunification drill on Friday. We had a few hiccups with 4 emergency contacts not appearing on lists, but overall it was a very successful drill.

If you have any feedback please email me [principal@tawhai.school.nz](mailto:principal@tawhai.school.nz)

Last term we invited parents to complete a survey to help shape our strategic goals for 2024 and 2025. A huge thank you to everyone who took part in the survey. All responses were collated and shared with the school board, along with student voice and teacher voice.

We are pleased to now share our 3 Strategic Goals – more details on the initiatives and outcomes to come.

1. Our Teaching and Learning

Delivery of quality, consistent teaching practices

2. Our Safe Place

Enhance our safe, nurturing, inclusive learning space for all

3. Our Connections

Strengthen deeper connections with our whānau

### Health Consultation

Every two years NZ schools are required to consult with their communities and review their coverage of the Health Curriculum (Section 60B of the Education Act 2020).

Please click on the link to this very quick survey and tell us what areas in Health and Physical Education you think

Tawhai School should be focussing on?

## Health Consultation 2023
