

Thank You – Celebrating Our New Library Space

A heartfelt thank you to all the staff, students, and wider community who helped us celebrate the opening of our new library space. It was a joy to see the creative book character costumes on the day – what a wonderful way to bring stories to life!

Our new library reflects our ongoing commitment to creating safe, kind, and engaging learning spaces where everyone feels welcome and inspired. It has been incredibly rewarding to see our little readers curled up with a good book during lunchtimes, and to hear the buzz of excitement as classes arrive for their library sessions.

If you have any suggestions for new books or resources, we'd love to hear from you. Please feel free to email deborah@tawhai.school.nz.

Let's continue to nurture a love of reading together!
