

## ARTS Term 3

### Artsplash

What an amazingly successful night!! After more than a term's work of 2-3 rehearsals per week, the Artsplash choir took to the stage at the Michael Fowler Centre for their big performance. We joined several hundred other students to perform a collection of songs, including 3 from the Moana movies, 2 Maori waiata, 'Paradise' - a NZSL song, plus a few others, culminating in a colourful and vibrant performance of the song 'Celebration'.

Every Tawhai student did themselves proud, having learnt all the words, the actions and the sign language, along with a few additional changes thrown in at the rehearsals.

It certainly proves the Performing Arts are alive and well, and just shows how much learning can be done, while having lots of fun and laughter along the way.

A huge thank you from me to the ā konga involved, the whānau that supported their children and to the staff that came along to watch on the night.
