

Kia ora koutou,

The NZEI union has confirmed strike action this week on Thursday 23 October 2025 - this includes both teachers and support staff.

This is a full day strike, and Tawhai School will be closed for instruction as we will not have the staff needed to ensure the safety of our tamariki.

We know that this is inconvenient for whānau, and we thank you for your understanding.

Ngā mihi,

Hayden Patel Presiding Member - Tawhai School Board
