

CULTURAL BLOG TERM 2

This term has been an incredibly busy and vibrant one at Tawhai School, packed with wonderful cultural events. A major highlight was our return to Hutt Fest for the first time in a while! Our senior Kapa Haka performance group took to the stage and truly shone, performing with immense pride and passion. We could not be prouder of the way they represented our school community.

What a spectacular Matariki celebration! Our buddy classes did a fantastic job creating beautiful art and presentations for our Open Afternoon. Between the energetic Footsteps dance, our special Values T-Shirt awards, and a classic sausage sizzle, it was a joyful day of coming together. Thank you to our wonderful Tawhai community for making it so special!

Celebrating Samoan Language Week in Style!

We celebrated Samoan Language Week in style this term with a fantastic lineup of events and activities throughout the week, all beautifully led by our cultural Tū Rangatira. In keeping with a wonderful Tawhai School tradition, the Sione family kindly supported us with an amazing performance and presentation, generously sharing their beautiful culture with our school community. We are incredibly grateful for their time and support! Our doors are always open—we welcome and encourage any families who wish to come in and share their culture with us in the future.
